

## Initial Project Planning Template

|               |                                                |
|---------------|------------------------------------------------|
| Date          | 20 September 2026                              |
| Team ID       | SWTID-2026-8026                                |
| Project Name  | Import Data using Transform maps (Spreadsheet) |
| Maximum Marks | 5 Marks                                        |

### Product Backlog, Sprint Schedule, and Estimation (4 Marks)

Use the below template to create a product backlog and sprint schedule

| Sprint   | Functional Requirement (Epic) | User Story Number | User Story / Task                                                                                             | Story Points | Priority | Team Members           | Sprint Start Date | Sprint End Date (Planned) |
|----------|-------------------------------|-------------------|---------------------------------------------------------------------------------------------------------------|--------------|----------|------------------------|-------------------|---------------------------|
| Sprint-1 | Registration                  | USN-1             | As a user, I can register for the application by entering my email, and password, and confirming my password. | 2            | High     | Santhakumari V         | 20 Sep 2026       | 23 Sep 2026               |
| Sprint-1 |                               | USN-2             | As a user, I will receive a confirmation email once I have registered for the application                     | 1            | High     | Nalayiram Chinnaveni A | 20 Sep 2026       | 23 Sep 2026               |
| Sprint-2 |                               | USN-3             | As a user, I can register for the application through Facebook                                                | 2            | Low      | Seema M                | 24 Sep 2026       | 26 Sep 2026               |
| Sprint-1 |                               | USN-4             | As a user, I can register for the application through Gmail                                                   | 2            | Medium   | Seema M                | 20 Sep 2026       | 23 Sep 2026               |
| Sprint-1 | Login                         | USN-5             | As a user, I can log into the application by entering email & password                                        | 1            | High     | Santhakumari V         | 20 Sep 2026       | 23 Sep 2026               |
